Company Profile

Vallejo's Transport Inc.'s mission is to provide prompt, efficient, reliable transportation and logistics services to our dedicated customers. Family-owned and operated since 2006, specializing in commercial and residential transport

Our Vision

We aim to provide safe, reliable, transportation services, whether it be residential delivery, or commercial hauling and transport. Our dedicated team of professionals strives to be the most successful transportation company in Southern California and continue to improve our share of the market by offering fast, efficient, and affordable transport.

Company Values

Through our fleet of transport vehicles, we are one of the leading one-stop transport and delivery companies servicing all of Southern California— from the San Fernando Valley, Los Angeles, Orange County, to the Inland Empire, as well as providing access to the Ports of Long Beach and Los Angeles.

Vallejo's Transport Inc. aims to maintain our foothold in the Southern California Transport market by:

- Providing excellent customer service
- Offering superior transport services while tailoring to our client's needs
- Developing new and innovative ways to safely and effectively transport our client's cargo
- Appointing highly qualified and licensed staff
- Port of Long Beach and Los Angeles approved entry— TWIC card carrying drivers available.
